

Looking for quality **USED** cooking and refrigeration equipment with warranty but cash flow tight?

Try the Silver Chef Rent, Try, Buy[®] Solution.

Silver Chef provides hospitality equipment funding through their **Rent, Try, Buy[®]** solution. This solution preserves your cash flow, keeps your options open and provides you flexibility.

HOW IT WORKS:

Silver Chef Rent-Try-Buy[®] Solution is perfect for people who want to keep their options open. With the **Rent-Try-Buy[®]** Solution, you aren't locked into a long-term contract.

Instead, we offer a 12-month agreement, so your business has the flexibility to:

- Purchase equipment at any time during the first 12 months and receive a 75% rental rebate.
- Return equipment at the end of the 12-month agreement if it is no longer required.
- Continue to rent - and we'll simply continue to reduce your purchase price.
- Upgrade should you decide your business has outgrown the original equipment.

HOW IT BENEFITS YOU:

- Low weekly rental repayments - no large capital outlay.
- 100% tax-deductible rental payments.
- 12 month agreement:

UPFRONT PAYMENT:

If you have been in business for **less** than 2 years, an equivalent of a 6 week refundable security bond plus the first weeks rent is required in advance.

If longer than 2 years in business, then **no** security bond required, just your first weeks rent in advance.

Guide rental price is \$12.70 per \$1000 per week.

Therefore, 1 or more items of total value of \$5000 = \$62.50 per week
